

## Daniel and the Lions Bible Craft

**Bible Story:** Daniel and the Lions

**Bible Text:** Daniel 6

**Suggested Learning Outcome:** This unique handprint craft will help children remember the miracle God performed in saving Daniel from the lions.

### Supplies List:

- Construction paper
- Orange and yellow paint
- Craft eyes
- Permanent marker
- Baby wipes for cleanup

### Instructions:

**Step 1.** Give each child a piece of construction paper and assist children with painting the palm of one hand orange and yellow. Try to avoid mixing the colors so portions of the hand are just yellow and other portions are just orange. Guide learners in making careful handprints in a circle on the paper (see image).

**Step 2.** When the paper is dry enough (a hair dryer can assist with this), guide kids in drawing a lion's face in the middle of the handprint circle and gluing on craft eyes (see image).
