Make a Match Game

Print two sets of the cards. Cut out the cards along the red lines. Mix up the cards, and lay them out face down in rows. Turn over any two cards at a time. If the cards have a matching picture, remove them from the table. This counts as one set. If you make a match, you may take another turn. If they do not match, turn them back over and let the next person try. The person with the most sets wins!
